

Wellwork for Week 4

1. If you are not experiencing life as you truly prefer:
You don't have the freedom to live as you want, or
things are a struggle financially, or
things are ok financially but you still don't feel free, or
things are great financially but you are not happy

Then it is time to dive more deeply into you thoughts, feelings and beliefs about M.O.N.E.Y. (My Own Natural Energy Yield) and apply Clarity, Envisioning and you own cosmic nature to change all of this for the better.
